bundled and tied for removal during normal refuse collection. The Town may refuse service if branches are mixed with leaves in order to protect workers and equipment.

7. If leaves begin to blow around, we suggest wetting the pile or making a small enclosure from chicken wire or snow fencing in which to hold the leaves.

8. Do not allow leaves to accumulate in/around storm drains or ditch lines to reduce the risk of flooding. (See Guideline #1.)

9. Town schedules have been established to reflect the traditional volume of leaves in various areas. High volume areas are normally collected first.

10. Weather permitting, FO may conduct a second bulk collection in those areas with a high volume of leaves.

11. Your cooperation with the above guidelines will enable FO staff to deliver effective services to you and your neighbors.

12. Residents may bring leaves year-round to the Recycling Center on Elm Street. The Recycling Center is open: Monday to Friday from 8 a.m. to 11:45 a.m. and Saturday from 8:00 a.m. to 1:45 p.m. Brown bio-degradable bags of leaves may be left in the designated leaf disposal area. Leaves in plastic bags must be emptied from the bags into the designated disposal area. Residents should plan to use this facility for leaves from their yard during the Spring.
